

Online Public Access Catalog OPAC

(Practice Test)

Tier II Test

Scenario:

Your class is studying the Battle of the Alamo and will be comparing and contrasting the soldiers who fought for Texas in this battle. You want your students to utilize online resources available through the Library Media Center to gather information for their research.

Directions:

1. List some general terms you could use to search for information on the Battle of the Alamo.
 - a. _____
 - b. _____
 - c. _____
 - d. _____
2. List some specific terms you could use to search for information on defenders of the Alamo.
 - a. _____
 - b. _____
 - c. _____
 - d. _____
3. Create a BookList of five materials from your home campus along with two materials from another MISD Campus.
4. Browse the state standards and find one print resource and one electronic resource to add to the BookList.
5. Print the BookList.
6. Delete the BookList.
