Dear Irvin Elementary School Parents,

Midlothian Independent School District Food Services Department is pleased to introduce exciting, fun, and nutritionally-based dining program at your school.

We're excited about the opportunity to launch new nutritiously based menu at your school!

Designed especially for elementary students:

- is a cool place to be seen eating cool food (*We know* it's nutrition-balanced)
- offers a new fruits and vegetables to increase healthy choices
- fun new items such as granola, yogurt and 100% fruit juice
- offers a new express sack lunch as a quick, nutritious meal option
- recognizes students' need to relax and refuel
- delivers healthy messages through fun, engaging characters, images and words that bring the cafeteria to life while reinforcing the merits of making smart choices and eating right

For parents who pack daily school lunches for their children, Irvin Elem offers a nutritious-balanced sack lunch packed in a colorful, clear window bag for students to grab and go.

With this new menu, we're taking school dining to a new level...nutritious, healthy selections, express sack lunches, learning, and fun!

I personally invite you to visit Irvin Elem to see first-hand these exciting changes at Irvin and experience new dining atmosphere. Please call me at (972) 775-2124 ext. 2 with any questions or comments.

Thank you!
