# Founders' Drive

www.midlothian-isd.net/MEF

MISD Staff:

The Midlothian ISD Education Foundation (MEF) Founders' Drive is underway and begins its initial effort to raise \$150,000. The Foundation encourages the community and business leaders to join this effort by contributing to a worthy nonprofit organization, which benefits both teachers and students of Midlothian ISD. These funds will be used to:

- Encourage staff excellence through *Innovative Teaching Grants*;
- Recognize student achievement and honor teachers through a *Student/Teacher Recognition Banquet*;
- Expand community involvement from individuals, businesses and civic organizations.

Because the Founders' Drive is a one-time opportunity to become a Founding Donor, MISD staff members can also be part of this exciting opportunity through a payroll deduction program or contribute a single gift donation.

## **FOUNDING DONORS OPPORTUNITY**

The Founders' Drive offers a unique opportunity for select supporters to become FOUNDING DONORS. According to the level of giving, donors will be recognized with their name engraved on a permanent plaque centrally located within the district. Donors will also be recognized throughout the year at various MEF events. The following are the donor levels of giving:

\$250 FRIEND	\$5,000 GOLD PARTNER
\$500 BENEFACTOR	\$10,000 DIAMOND PARTNER
\$1,000 BRONZE PARTNER	\$20,000 PLATINUM PARTNER
\$2,500 SILVER PARTNER	

The Foundation welcomes donations in any amount. All gifts will benefit our children and our community.
