

MIDLOTHIAN INDEPENDENT SCHOOL DISTRICT
High School Summer School Information
2009

Dear Parent,

The academic progress of your child is the top priority at Midlothian ISD. After examining your child's attendance, grades and test results on the Texas Assessment of Knowledge and Skills (TAKS) test, your child has been identified as a candidate for summer school. We believe it crucial your child receive the necessary remediation summer school can provide. Students are required to pass Exit Level TAKS assessments in grade 11 to graduate from Midlothian High School and must acquire passing grades to earn credits toward graduation.

The high school summer school program is provided to students on a tuition basis. Student participation in summer school to recover lost credit is not mandatory, but is strongly encouraged. Tuition for each semester is \$175.00. Students are limited to one subject per semester. The duration of each semester is 12 days. Class begins at 8:15 a.m. and ends at 11:45 a.m. Each course will focus exclusively on skills for that subject and grade level.

Attached to this letter are summer school recommendation(s) from the MHS counseling office. In addition, a registration form is attached for careful review. **Return the registration form to the counseling office by May 29th, 2009.** If you pay with a check, please note your child's name on the check, your driver's license number, and date of birth. You may pay with a money order. If you have any questions, contact the MHS counseling office at (972) 775-8237.

Sincerely,
Dr. Al Hemmle, Principal
Midlothian High School
