

Attention Sophomores, Juniors, and Seniors of 2009-2010

It's harder than ever for students to meet all the requirements for graduation and still participate in fine arts, sports or career classes. Especially with the new 4x4 mandate, next year's underclassmen will face new demands on their time.

Is there a class you'd like to take, but don't have the time?

Do you have more than one elective you'd like to take next year?

Do you need to get out of school early for work?
